Frequently Asked Questions

How many guests is the maximum capacity?
We can host up to 550 guests for a wedding.

Where do guests park?

Parking is free! There is a large parking lot in front surrounding the building. Overflow parking is available on Lee Street.

If we have our ceremony on site where would we get married?
The ceremony location is determined per event basis.

If we have our ceremony on site where can we take pictures during cocktail hour?

We will take care of escorting your guests to the cocktail area at that time and you will be able to have your photos taken anywhere in the space/spaces you have rented. Due to the short time period, couples are unable to leave the property between the ceremony and dinner for photos. If you would like photos taken elsewhere, we suggest you plan to have your photos completed before the ceremony so you and your spouse can be on site at least 30 minutes prior to start time.

Is there a wedding suite available?

Yes, there is! We have a separate suite available for the wedding party to store belongings as well as enjoy light food and drinks before guests arrive.

What time can we arrive to get ready?

If your ceremony is on-site, any time after 11:00a.m. that day is fine to arrive as we will have the wedding suite ready for you at that time. For receptions only, you can arrive 1 hour prior to the start time.

I really want a backdrop, up lights, and specialty linens; can we bring that in ourselves?

All food, beverage, backdrops, up lights, linens and on-site coordination are exclusively provided by The Rich Entertainment Group.

What does on-site coordination mean?

One of the greatest perks of having your wedding with us is that we handle everything! The team at The Rich Entertainment Group will set up your place cards, favors, gift box, sign in book, and other wedding articles. They also take on all time management of the event for you. This ensures you are always on track and can truly enjoy every minute of your special day without having to worry about a thing.

How long does dinner take?

Typically, a salad, entrée, and dessert course can be completed in 60 minutes depending on how fast or slow the guests eat. If a soup course is added, add 15 minutes.

How do I know if my band has all the necessary equipment?

All live bands must be preapproved by The Rich Entertainment Group management. Once approved, Rich's will work with the band to ensure they know the necessary equipment required.

Truly The Best Venue!

We can't speak highly enough about The Powerhouse and its staff, especially Steve, Erin & Terese. From the beginning, communication with the team was easy, and responsive. Leading up to the day of, Erin & Steve accommodated all my requests and changes to my vision, without batting an eye and were able to make suggestions to help me decide on what was needed, and what I could do without. As someone who can be very indecisive, this was such a huge help. The Powerhouse as a venue is stunning, spacious, and overall, had everything we were looking for. Our guests loved the outdoor patio, our wedding party loved the suite upstairs, and everyone raved about their experience. The staff was incredibly attentive, kind and always there when anything was needed, and they were more than happy to accommodate pretty much anything that was asked for. As far as the food - it was amazing! All our guests had nothing but amazing things to say about their entrees, including how smooth dinner service was. As far as Steve and Terese, I honestly have no words that can describe how happy we are that they were there for our day. Steve was amazing, from hand cleaning my dress, to hand sewing the buttons that fell off one of my girls' dresses - he literally was ready for anything to go wrong and handled it quickly and professionally. I can confidently say if it weren't for them our day would have never been as special as it was. They are true professionals, and they take pride in what they do so that you can sit back and enjoy every single moment of your day. We truly are forever grateful to the team at the Powerhouse, they made our dream wedding a reality and we are beyond thankful!

Erin & Alex

A Great Venue and A Great Team.

Steve, Erin, and the rest of the team at The Powerhouse were phenomenal. Steve took time to really understand our vision and sourced décor and furniture that matched it perfectly. He was super receptive to our ideas and all of the edits/changes we made along the way to make sure it was the wedding of our dreams. The day of the event, Steve and The Powerhouse team could not have been any better. Everything was taken care of, including us. Whenever we needed something, we were given it. I mentioned I didn't get an appetizer, and there was then a plate of them at my seat when I finally sat down. Their attention to detail and ensuring that the bride and groom can enjoy the day are unmatched. The food was second to none, with several guests telling us it was the best food they've ever had at a wedding. With that, they were also great about allergies. I can't have gluten, dairy, soy, or garlic and the kitchen made me food from our menu but tailored to my needs. Other guests with allergies were well taken care of - it's maybe the most comfortable I've felt eating outside of my own home. The team there provides incredible service and the space itself is absolutely stunning. Steve's team is efficient and effective, and the space reflects the high quality of the service. We could not recommend The Powerhouse enough.

Arshia & Benjamin

We were able to host our wedding & reception at Powerhouse for 290 guests in April 2024 and it was absolutely incredible and more than we could have ever imagined! The Powerhouse team, led by Steven & Erin for planning & Steven and Kate on the day of, were amazing to work with. They were super communicative, answered our questions quickly, and were open to our ideas in terms of layout and set up, as well as adjusting to last minute changes. The venue itself is beautiful and really worked well for our big guest size! Our guests had an incredible time - the bartenders worked quickly, the dance floor was big enough for our big dancing crowd, and the entire night went super smoothly thanks to the

awesome team that the Powerhouse has. We were so happy to host our wedding at Powerhouse would highly recommend Powerhouse if you are looking to host an event!

Anna & Thomas

If you are newly engaged and looking for a wedding venue, book a tour with The Powerhouse and I promise you... you will not be disappointed! From day one, the communication and professionalism Steven and his team provided was top notch. There is not a single thing I would have changed about our wedding day and I truly believe it's because we choose The Powerhouse. Steven and Erin were always there ready to answer any question (and all my late night emails lol). I am guilty for being extremely Type A, so when I first got engaged, planning a wedding seemed very daunting to me, Steven and Erin quickly took away all those feelings the first day we met and made the process so simple and easy. When I say I was never stressed out during this process, I am not lying! It's because I knew I was in the best hands, they understand our vision and they executed it even better than we could have ever imagined!!

Kelly & Jeremy

A Wedding of Our Dreams

From the moment Kelly & I stepped into The Powerhouse on our initial walk through, Steve & his team were the absolute best. They were so accommodating and pleasant. It was easy to see ourselves getting married at this wonderful Buffalo venue. Simply put, they were prepared to meet and exceed all of our wedding day requests. The team at The Powerhouse made sure that every detail Kelly & I wanted to incorporate was met with perfection. From the awesome natural lighting during our ceremony, the beautiful city backdrop on the patio for photo's and the excellent acoustics for dancing, The Powerhouse had it all! As Kelly and I walked around during cocktail hour, every single one of our guests remarked at the beauty of the venue and really just stood in amazement. The passed hors-d'ouvertes were an absolute hit and all 4 meals served were met with a 5 star review by our guests! The Powerhouse also offers an outdoor patio for your reception guests to enjoy. Speaking of enjoyment, the service was out of this world wonderful. Every single bartender, waiter, captain, coordinator, and anyone else working our wedding day met you with a smile. It was 5 star service for the entirety of the day. If you're looking to get married in Buffalo and you haven't gone and checked out The Powerhouse, do yourself a favor and schedule a visit. A sincere thank you to Steve, Erin, Terese and his entire Powerhouse staff/team. Kelly & I had the best day of our lives and did so because of you! Well done, Powerhouse!

Jenna & Nick

We couldn't have asked for a more perfect venue for our wedding than The Powerhouse. From start to finish, our experience with them was nothing short of exceptional. The professionalism of the staff was evident from our very first meeting. Every detail of our day was handled with such care and precision. The team went above and beyond to ensure everything was tailored to our vision, making us feel like we were their only clients. They anticipated our needs and provided thoughtful suggestions that truly elevated our event. One of the standout aspects of our experience was how flawlessly they set up the decorations. The Powerhouse's team took our ideas and brought them to life with such finesse. The decorations were arranged to perfection, creating a stunning atmosphere that was exactly what we had envisioned. We received countless compliments from our guests about how beautifully everything was set up. The extra attention to detail was remarkable. Whether it was the seamless coordination of the day's schedule, the meticulously arranged decor, or the attentive service throughout the event, The Powerhouse made sure we felt cherished and supported. It was clear that they genuinely cared about making our wedding day as special as possible. The venue itself was stunning. Its charm and elegance provided the perfect backdrop for our celebration, and we are immensely grateful for the dedication and professionalism of The Powerhouse's team. They truly made our special day extraordinary. We wholeheartedly recommend The Powerhouse to anyone looking for a venue that combines elegance with exceptional service.
